Greetings from Delaware Symphonic Winds,

Delaware Symphonic Winds is a Wind Ensemble comprised of music educators, college music students and adult musicians from Delaware who are seeking performance excellence and exposure of unique styles of music to audiences throughout Delaware. We also provide opportunities for young high school musicians to experience new music and to develop a life-long love of music.

To accomplish these goals, we are looking for Sponsors to support purchase of musical literature and the costs associated with rehearsals and performance. Sponsorship can be individualized or on a Corporate/Business level. In either case, your donation will be acknowledged and published in our concert Programs (typically Spring and Fall) for one entire season. Business donors have an opportunity to display ads vs. being listed separately.

Delaware Symphonic Winds is a non-profit 501(c)(3) organization, and your contribution is tax deductible.
